Training: Tom Force Voice Coach in Detroit and Marla Kirban Voice Coach New York City

Home Studio-

I am setup with a Pro-tools multi-tracking recording studio, complete with tuned vocal booth. My studio creates professional and efficient recordings of Dry Voice and / or Post Production Services with the ability to supply audio via FTP, Email or CD in AIFF, WAV or MP3 format. If preferred, I am willing to travel to any designated recording studio in my area.

My studio consists of:

- Audio Technica 4033 large-diaphragm studio microphone DigiDesign Pro-Tools LE with MBOX-2 audio interface Atlas microphone stand with telescoping boom
- JBL LSR-6325 active studio monitor
- Ultimate Support 36" speaker stand
- Auralex Roominator Project 2 acoustic materials package dbx Professional 166XL compressor / limiter
- Horizon Music Quad-Cable Studio Series microphone cable Horizon Music custom product - headphone extension cable Horizon Music Quad- Cable Studio Series microphone cable Horizon 6' Black balanced line cable - XLR to 1/4" TRS
